

January 22, 2021

Due to current input from the hockey community culminating in this week's board meeting, Ice Sports Center management and Board of Control members feel it necessary to make the following statement:

There is no plan to change hockey at the Ice Sports Center from the current third party arrangement to an in-house program.

We would now like to work together with our hockey partners to improve our relationship, service and shared mission. We hope this statement is the first step in that direction.
